1	As mentioned above it was pretty hard being gone for the first two weeks and I do not think this was best. My mentee feels pressure to have 3 weeks of experience (capable of unguided work) when in reality he only has maybe 1.5 (still needs a lot of guidance). I hope that this will become less noticeable as the weeks go on.	6/21/2019 5:29 PM
2	Jacob is easy to get along with and very inquisitive, making him a great mentee to work with.	6/21/2019 12:34 PM
3	I am a second mentor for the REU student, so the first mentor has a more productive and effective relationship with the student.	6/21/2019 11:02 AM
